

Get a **\$500 REBATE** on lithium-ion powered walkie pallet trucks

Now through **August 31, 2017**, stock up on Yale® MPB045-VG walkie pallet trucks with 1-, 2- or 3-pack lithium-ion battery options and get up to a \$500 rebate!

Power and efficiency don't have to be mutually exclusive.

Lithium-Ion Battery Options	Amp Hours	Continuous Runtime	Rebate
1-pack	⚡ 56 Ah	🕒 3 hours	\$500
2-pack	⚡ 112 Ah	🕒 6 hours	\$500
3-pack	⚡ 168 Ah	🕒 9 hours	\$225

Yale's lithium-ion battery options are an efficient and productive power alternative, ideal for retail, beverage and food delivery applications. Spend more time moving product and less time maintaining and charging batteries.

2x faster charging time over lead acid batteries

Up to **9 hours** continuous run time with 168 AH 3-pack

No more watering, acid, spills, fumes, equalizing or cleaning
