

Our Name is Changing but our Commitment to Service

Remains the Same

For 90 years you have known us as Bublitz Material Handling... a lot has changed during that time. And every one of those changes have been to make us stronger and to better serve our customers.

Let's face it, to be a leader in material handling and warehouse solutions, you must be constantly innovating and moving forward. So, in 2019 we are merging with our partner, Riekes Equipment, to once again expand our capabilities and service.

How Does This Impact You?

We will remain committed to achieving the highest integrity, innovation, responsiveness and unparalleled service. No worries... through it all, we will meet your all your service, rental, parts and equipment needs. Your account is still active and our service to you will be uninterrupted.

We will carry all the same quality products and you will work with the same great people.

What Will Change?

A new name and logo will be on your invoices and on the outside of our building.

Now we are in 15 communities with almost 100 technicians to better serve all of your locations throughout the Midwest.

We will continue to share the progress that will position us not only to anticipate your needs, but also to exceed them. Thank you for your business - we are excited that you are part of this journey.

Our team welcomes the opportunity to explain our plans further. Please do not hesitate to call us: **800.749.7335**
